Blessing Box

In January, the Deacons met to explore ways that we could establish a neighboring ministry. One of the ideas discussed was to sponsor a Blessing Box, stocked with non-perishable food, hygiene items, diapers, paper products etc. This ministry is modeled after the Little Libraries that have been installed throughout Greene County.

We contacted Juli Huffman at BHS to ask if her students would be interested in constructing our Blessing Box. They were eager to help. A couple of weeks ago Juli and some of her students delivered the box to our church. Bill, Zachary, and Brady Hudson and John Bailey installed the box on the north west side of our upper parking lot.

The plan is to get community sponsors to stock the box during a specific month. The Boy Scouts will do January and a 4H Club has committed to another month. Instead of a VBS offering, the children contributed items all week. A tote will be located near the library counter for our church family to contribute Blessing Box supplies.

This ministry is not intended to replace our food pantry. The purpose is to make emergency supplies available 24x7 to those going through a difficult time. The idea is for people to take what they need and give what they can. Our Blessing Box will be another way we can show our community God's love in action. I will be happy to answer any questions. God Bless You, Cheri Campbell Graf 812-384-8980.
