Kinley Moody's Veterinary Mission Trip

I have an incredible opportunity to serve the people and animals of Nicaragua! From June 5-13, I'll be going with vets and students from various schools to work on the village's dogs and livestock. There will be opportunities for conversations every step of the way, and we will also be joining the children for Sunday school & church. Fortunately, we are able to take a variety of items in

order to help the village people. We can take flea/tick meds, sutures, and clorhex solution. We can also take several items for the children such as coloring books, crayons, markers, hard candy that won't melt, etc. If you happen to have any of these items around, I would love to take them off your hands and share them with the people of Nicaragua. I would appreciate any support you are able to give, whether it be financial, or prayers, everything is welcome! You are able to give to <https://cvm.org/short-term-giving-project/kinley-moody> at any time, and I am able to use it for future missions as well, but Christian Veterinary Missions (CVN) does take a portion of their donations to help their mission, so I am also open to cash and checks as well.

Thank you so much for your continued support in my journey!

Kinley
